EXPERIENCE

Junior Frontend Developer

Technigo

Jan 2024 - Jun 2024 - 24 weeks, Remote studies

A 24-week intensive bootcamp utilizing agile methodology. The program is divided into four sprints and culminates in a final project. Throughout the bootcamp, I delivered one project each week, both individually and as part of a team. We held daily stand-ups, and weekly retrospectives and demos to showcase the week's project.

Senior Audit Associate

Deloitte

Jan 2021 - Present - 3,5 years, Stockholm, Sweden

Audit of companies of varying size and industry. My work includes detailed and analytical review of clients' financials, review of junior team members' work, extensive client contact, collaboration with different teams, project management, meeting deadlines.
